Welcome back to our final term of this academic year and as ever we have saved the best to last!

Can I take this opportunity to thank you all for your support as it is now 2 years since I have been lucky enough to have been here at Langley Park, as a team of staff we all work to ensure that your children are happy, safe and learning. We aim to constantly improve and always put the children first and I sincerely hope you can see some of the things we have done over the last 2 years and how they have made the day to day experience your children have at our school become better and better.

A huge thank you to everyone who took the time to fill in questionnaires we sent out, we value every comment you make and are preparing our response to all of the comments you've made outlining how we aim to address and improve further.

All of our newsletters are important but please...please...please keep this one safe as you'll see the reverse has just a taste of the key dates we have planned in our sensational summer term!

As ever thanks for all of your help and support take care

Mr Walton
